

The Bridge 2009 – *Honorable Mention*

Who Would of Thought?

Who would of thought ...
I would be homeless?
Who would of thought ...
I'd lose my job and my home?
Who would of thought ...
I would get caught up in
The bondage of sin?
Who would of thought ...
I'd use over and over again?
Who would of thought ...
I'd be hopeless and dirty
And living from bridge to bridge?
Who would of thought ...
I'd be stigmatized
In homelessness over and over again?
Who would of thought ...
I would ever be proclaimed
Mentally ill?
Who would of thought ...
I would be in a mental hospital?
Who would of thought ...
There was no one I could turn to?
Who would of thought ...
I'd be beat up and robbed
From trusting in the wrong people?
Who would of thought ...
I'd ever get well, again,
With food, clothes, and yes ...
A home, again?
Who would of thought?
